POLICIES

Parents must fill out a family registration form for all new students.

All students are required to pay an annual (non-refundable) membership fee.

(\$35 First child & \$10 for each additional child)

20% off lowest tuition of each additional child or class enrolled

A student may enroll or switch at anytime during a term as long as there is a vacancy and such move does not negatively affect the numbers of any classes. Class fees will be pro-rated relative to your start date. Tuition **WILL NOT be pro-rated prior to enrollment** for planned absences such as vacations, parties, school events, etc. Make-ups may be scheduled if approved by the front desk. **NO REFUNDS OR CREDITS FOR DROPPED OR MISSED CLASSES.** Once a month has commenced you are in the class for the entire term, regardless of attendance, except for Medical Reasons for dropping a class (medical situations validated by a written acknowledgement from a licensed medical practitioner). You will be granted a credit prorated from THE DATE WE RECEIVE the written acknowledgement. (A retroactive request for medical credit cannot be granted, as it eliminates our opportunity to fill the vacated class spot).

Once enrolled in a class, you are automatically enrolled and billed for that same class until we receive an email or written request to withdraw you or we speak to you about switching to another class. Your account will be charged the next month's tuition at the end of the preceding month. If you do not choose to continue in that class, notification must be given in writing to the office by the 15th of your final month or you are responsible for the following month's tuition.

Tumbling:

Your "punchcard" expires when the next term begins (September-December and January-May). You are responsible for your punchcard. Cards are non-refundable for any reason (other than medical).
