Dances will be available on our website for you to view and use to help learn or practice. Also, if you are unable to make it to learn the routines with us, you can try to learn with a friend or by watching the videos. And, if you can't learn the routines for whatever reason, it is not required that you participate in that portion of the show! We want you to do so, and it's a lot of fun, but it shouldn't create more stress than fun!

The classes offered below are for the first round of learning. We will offer more during Winter Break. All of these classes will assume participants have not learned the routine before, and will start from the beginning. Over winter break, we'll do lessons assuming kids already know the routines.

If you're not signing up online, remember to mark down the dance classes you're signing up for on your calendars as well! We will only run classes for which people register. Thanks!
